RE : Disrupted Council Meetings

The cause of the disruption was a result of heated discussions of Council where some councilors did not want the presence of the MM inside the meeting claiming that her contract has expired. On the other hand, some councilors insisted that the issue was not on the agenda and that the matter was currently being dealt with by the court.

It was at this point whereupon a group of members of the public flooded the public gallery and disrupted proceedings of Council. The Speaker had no choice but to call the meeting off.

A follow – up meeting was called yesterday, i.e. August 30, 2017 but this meeting too did not proceed as the opposition, DA, EFF AND Freedom Front Plus did not turn up making it impossible to have a quorum for the meeting.
