RE : Motion of No Confidence

Please note that I can only confirm that indeed a motion of no confidence against the Executive Mayor and the Speaker has been submitted to the Speaker. However, because the motion was served less than seven days before the Council meeting scheduled for Friday it will stand over to be debated in the next ordinary Council meeting.

I can also confirm that the Council meeting was disrupted on two occasions by rowdy public members. However, Council has also been disrupted on several occasions by the walkout of opposition party members, rendering it unable to establish quorum.

Nevertheless, I cannot elaborate the merits and demerits of the motion of no confidence through the media. Council will debate this at the appropriate time.
