## MEDIA RELEASE

**DATE** : 12 August, 2020  
**RE** : Ratings Afrika Scoring

We welcome the report of Ratings Afrika and findings on JB Marks. The financial stability of this municipality has never been in doubt.

However, even as much as we are satisfied with rating, we will remain grounded and will not allow it to go into our heads. We need to need to keep on working hard and improve especially the Auditor General's reports, which are the government's standard bearer.
