RE : SEXUAL ASSAULT ALLEGATIONS

The Office of the Speaker was not aware of the allegations and charges against the said councilor.

However, Council abhors all acts of harassment against women. We condemn any form of abuse against women and have committed to the national effort to fight against this evil which our President has described as another pandemic of the worst kind.

In the case of the councilor concerned we will let the law take its course. The full might of the law must be unleashed to all those found guilty of perpetrating violence against women irrespective of their positions or standing in society.
